

Can You Help Us Prepare Kids for School?

MCHC needs new school supplies for our families who have children beginning kindergarten in the fall. We have backpacks and need to fill them with the supplies listed below.

Boxes of Pencils
Colored Pencils
Boxes of Crayons
Packs of Erasers
Glue Sticks
Tissues
Colorful Folders
Notebooks
Composition books
Rulers
Washable markers
Child-safe (blunt) scissors

If you can donate some of these supplies, you will be helping a child to start school off on the right foot.

Please drop off any new school supplies you collect to our main office at 30 West Barnard Street in West Chester by July 15, 2009. We will make sure the families who need them across the county will receive them.

If you cannot contribute new school supplies, your donation of \$20 will supply a child with everything he or she needs to begin school.

Thank you!
