About The Whitford Charitable Fund Golf Classic

Nearly forty years ago Whitford Country Club began its involvement with the Philadelphia Section of the PGA hosting a tournament sponsored by Westlakes Plastic. That event continued for thirty years. For the next several years various sponsors provided support for the event which coupled with golf activities, generated funds for various organizations such as First-Tee and The Make A Wish Foundation.

While Whitford Country Club "hosted" the event it was never an "owned" event. With the vision and commitment of a small group of our committed members, a new direction was charted - one that gives our membership the opportunity to give something back to the community in which we live and work. What emerged from that vision was the concept of **The Whitford Golf Classic**, an event that will grow and prosper, for the future enjoyment of our membership, but with the singular goal of "giving back."

We look forward to you playing a part in this vision as we begin a new tradition at Whitford Country Club - **The Whitford Golf Classic**.
